3 Point Sprayers

55 Gallon Sprayer with Boom

Apply pesticides, herbicides, insecticides or fungicides. Attaches in minutes to category 1, three point hitch. Fittings on pump hose connection are 3/4" and adapt to most 6 and 8 roller pumps (pump not included).

Features a 55 gallon polyethylene tank with molded-in sight gauge markings and 5" fill opening. Seven nozzle spray boom with 140" spray coverage. The 3 section boom features break-away hinges for transport or striking objects, such as trees or posts when spraying. Also is available with boomless nozzles, which have a full 30' spray coverage. Single lever spray control valve with pressure gauge and relief valve which are mounted on a stand within easy reach of operator.

Other Available Products

[ATV Mounted Sprayers](#) - Durable high quality sprayers that mount easily to most all terrain vehicles. Spraying may be accomplished with a boom sprayer or hand gun equipped with an adjustable nozzle.

[Trailer Mounted Sprayers](#) - Use these tow behind sprayers for herbicides and insecticides. They feature a low profile 15 or 25 gallon polyethylene tank, trailer, spray boom, and a 12 volt (demand) diaphragm pump or gas powered engine.

[Utility Vehicle Sprayers](#) - These skid mounted sprayers are designed to fit most UTV Utility vehicles. Include boom sprayers with range of 80' to 30 feet. Corrosion resistant tanks available in many sizes.

[Skid Mounted Sprayers](#) - Slide these sprayers into a pick-up, flat bed truck or trailer for easy transporting. Many sizes available from 60 to 300 gallons. Pumps powered by 12 volt, or 3.5 to 30hp gas engines. Use for lawn maintenance, tree spraying, or fire fighting use.

Other items we carry: fimco sprayers, harrows, manure spreader, horse walker, stall mat, rubber flooring, ATV implements, Gate Opener, Automatic Waterer, infrared heater, horse fencing, livestock waterer, round pen, atv sprayer, trailer mounted sprayer, stall fronts, utility cart, weathervane, horse tack, and saddles,.
